

**THE RUTLAND HERALD - JANUARY 18, 2007**

**"This week I've been listening to Duane Carleton's new CD, "Once Lost, Then Torn Down." The first track, "Small Town Heroes," gets the nod for this week's Local Song in My Head. It's got that all-American rock sound that could be compared to the likes of John Mellencamp or Bruce Springsteen. He's also got a great video to boot." - George V. Nostrand**
